1. Community Outreach & Engagements

2. Community Feedback

Rain Shelters. Just as there are cooling centers, can the SCWP fund temporary rain shelters?

Artificial Turf. What are the negative environmental effects and dangers to physical activity?

Operations and Management. Are we requiring sustainability? Examples: biodegradable doggy bags, bags for trash bins.

2. Community Feedback

Utilizing New Projects. Residents expressed safety concerns even after project completion.

Community Garden. Model maintained by SCWP that can function as a community space and as a water capture site.

Proactive vs Reactive SCWP. What does it mean to be proactive when improving water quality?

3. Upcoming Events

- 04/04/24** Tour of the Jeff Seymour Family Center in El Monte
- 04/06/24** Outreach event at City of Stem
- 04/12/24** Outreach event Earth Day at Sanitation Districts
- 04/27/24** Outreach event at Wellness Festival in El Monte

Continue to engage and help potential SCWP applicants
