Watershed Coordinator Update

Santa Clara River Watershed Area

February 20th, 2025

February Watershed Coordinator's Report

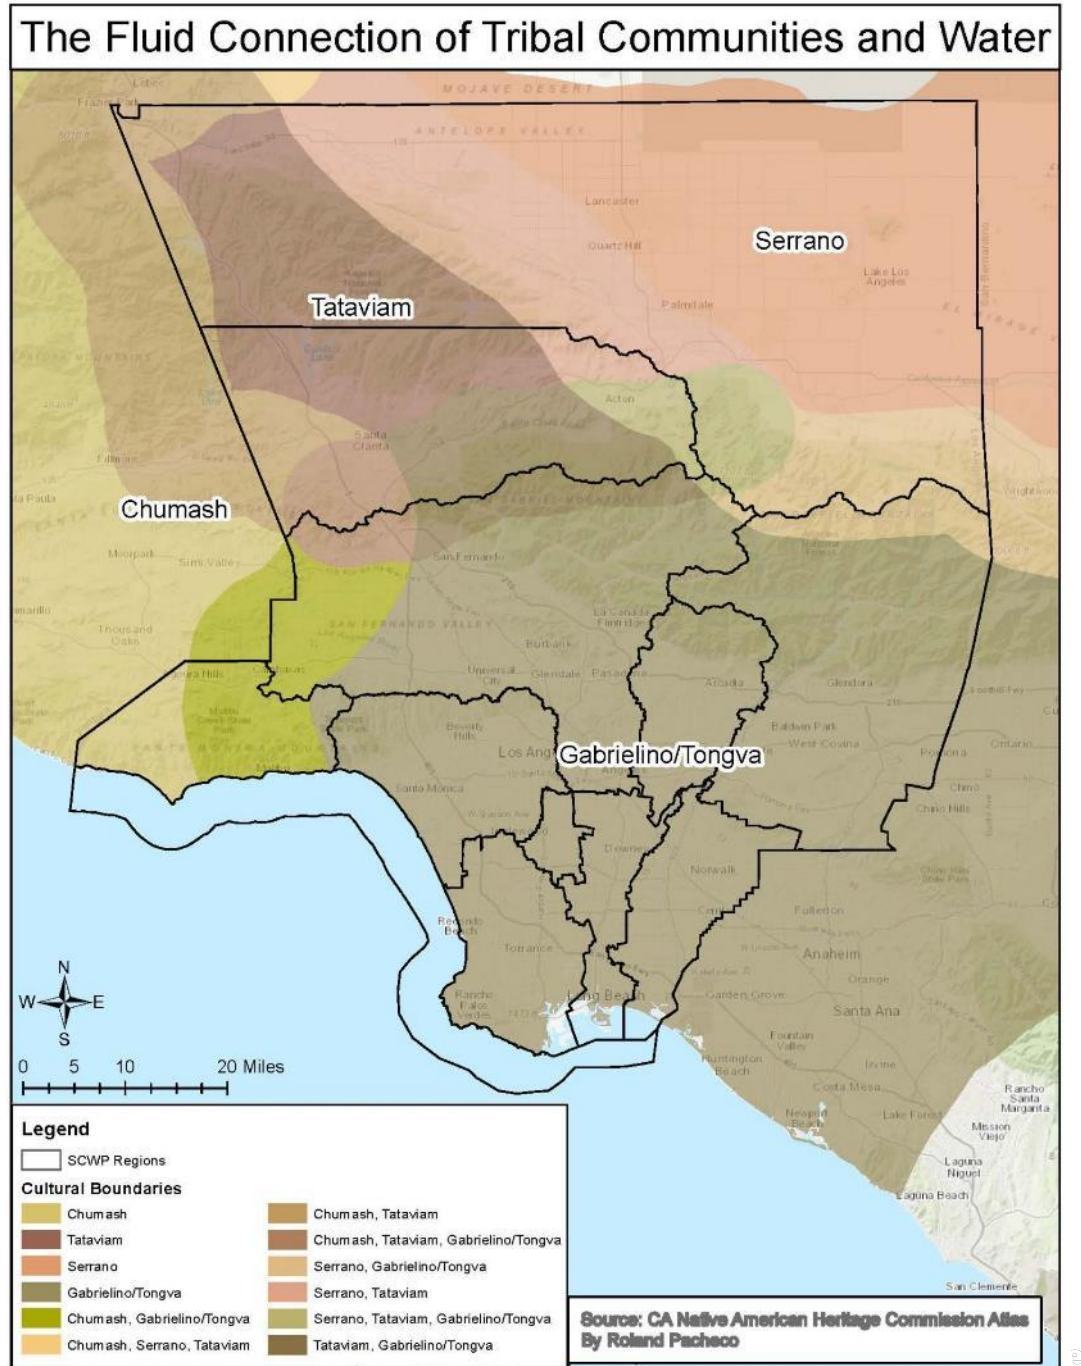

- January Updates
- Project Updates
- Upcoming Events

Land & Water Acknowledgement

The geographic area represented in the Santa Clara River Watershed Area is the unceded ancestral lands and waters of the Tataviam, Chumash, Serrano and Tongva people, the original stewards of this land. We honor their elders both past and present for their exemplary respect for Water.

Through our work, we seek to lift up the stories, culture and community of these California Native American Tribes, and all indigenous people living in the watershed.

Role: Educator

- Presented to the UCLA Urban Planning Master's Water Quality & Resiliency Solutions for Small Systems Study on the SCR Watershed & the SCWP
- Supporting the planning of SCV Enviro Alliance 2nd Annual Eco Film Fest
- Working with OWLA to host a spring region-wide SCWP educational event

ECO-FILM FESTIVAL
at College of the Canyons

The **SCV Eco Alliance** is holding its second annual Eco-Film Festival at College of the Canyons in Santa Clarita this Spring! Six films will be shown in three time blocks, and a short discussion/Q&A will follow each film.

Information about organizations in the SCV Eco Alliance (listed below), opportunities to engage, fun activities, an art installation and free giveaways will be on display at tables in the University Center lobby.

The event is free of charge and complimentary parking is available in front of the University Center or lots 13 and 14 if needed.

The Tacos Jimenez food truck will be on site, with vegetarian and other options available for purchase. Please consider bringing your own reusable container and utensils to prevent waste.
