

**SAFE CLEAN  
WATER PROGRAM**

# **Rio Hondo Watershed Coordinator Update**

**Presented to the Rio Hondo WASC  
18 March 2025  
By Richard Watson & Julie Millett (RWA)**

## Highlights - Activities since Last Update

- Fire recovery: Participated in webinars related to fire clean-up, hazardous waste, water quality and water safety; met with other WCs of fire-impacted areas re: how best to support communities recovering from the fires.
- Participated in day-long tribal allyship event at UCLA designed to foster collaboration between tribal leaders, community members, public officials, and other entities (31 Jan)
- Gave an educational presentation to SGVCOG Energy, Environment, and Natural Resources (EENR) Committee on SCWP with a focus on school greening (10 Feb)
- Tabled with SCWP at Grand Opening and Ribbon Cutting for Merced Avenue Green Street (01 March)

## Ongoing and Upcoming

- Planning future Outreach & Engagement and/or Educational events –Upcoming: Alhambra EcoFair in April
- Follow-up meeting with City of Monterey Park re: City’s work and future potential to develop a project for submission to SCWP
- Follow-up with Garvey School District re: school projects
- Working with Amigos de los Rios on future school projects and on future SCWP submittals for ongoing O&M at Plymouth Elementary School
- Workforce training for school district facilities staffs responsible for maintenance of school greening projects.
