

LOWER LA RIVER WATERSHED COORDINATOR

WC Updates

WASC Meeting February 2026

NOVEMBER UPDATES

OUTREACH

- Continued to reach **City, County Governments, School Districts and NGO's (Non-profit) organizations** to share about SCWP.
- Met with **Lee Clauss from Trust for Public Land** to learn more about her work with Tribal communities, and shared input with the Tribal Allyship Working Group.
- Tabled at two community events at **South Gate and Pico Rivera**

SUPPORT

- Met with **WELL (Water Education for Latino Leaders)** to discuss potential collaboration on their school greening workshop for elected leaders, and;
- Attended their **Fellowship Graduation**
- Identified and shared brownfield grant opportunities with the **Land Use & Health Program Manager from Physicians for Social Responsibility Los Angeles.**
- Connected Dr. Sharbat (Cal Poly Pomona) with several cities to **identify specific dry wells for a four-year watershed research study.**

DECEMBER UPDATES

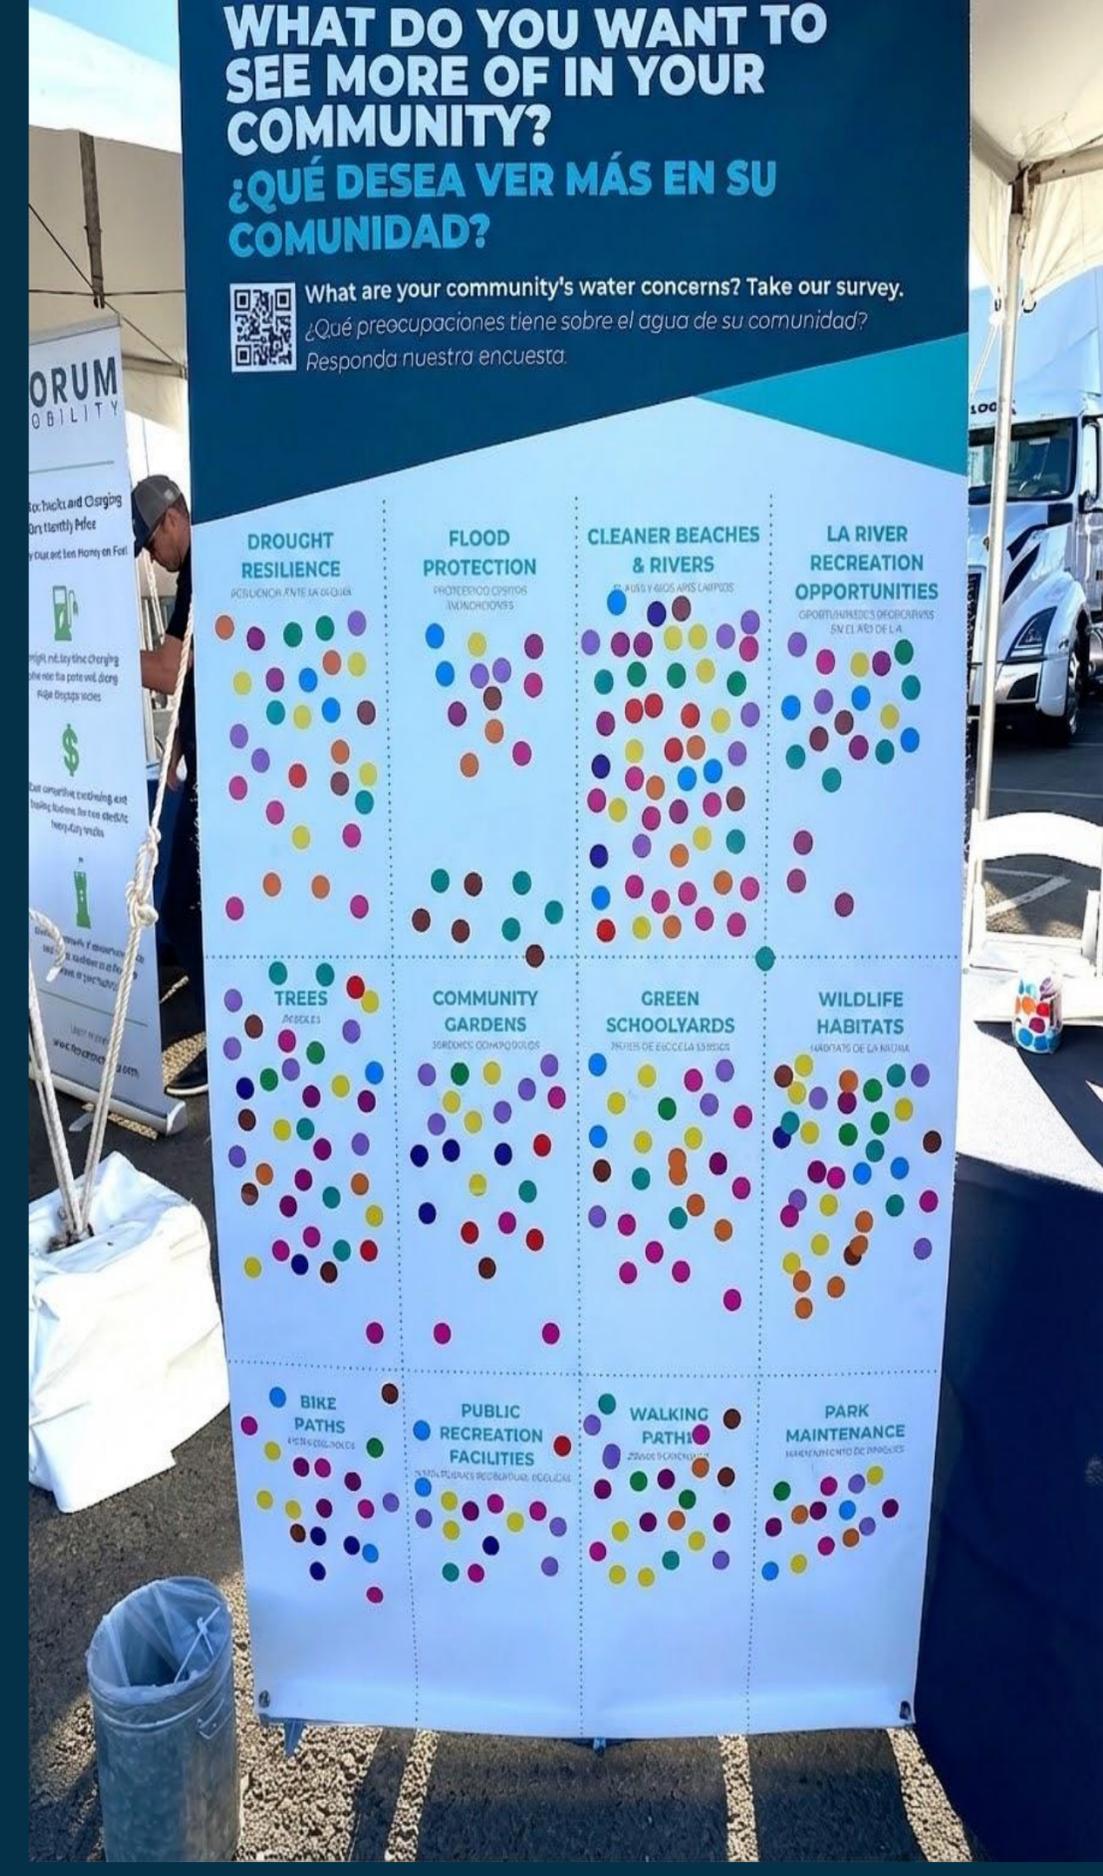

OUTREACH

- Met with **Dr. Laurel Kruke from Long Beach Unified District** about SCWP funding for 4 schools.
- Presented an update about SCWP at the **Lower LA River Implementation Advisory (IAG)**.
- Tabled at our last community event of the year, the **South Gate Holiday Christmas Festival**

SUPPORT

- Connected with **Erica Maceda from River in Action (Water Foundation Grantee)** to support their public education programs, and explore partnership.

JANUARY UPDATES

OUTREACH

- Continued to reach out to **the Water Foundation Grantees** to offer support in their projects.
- Met with **Parks and Open Space, Algalita Marine Research, Communities Better Environment, and East Yards for Environmental Justice** about SCWP alignment and collaboration.

SUPPORT

- Hosted a SCWP overview to **the new WASC members (City of Bell, Vernon and Long Beach)** as support as they entered in their role.
- Reached out to the **current four SS applicants** to offer support in their upcoming presentations
- Followed up the conversation with **WELL (Water Education for Latino Leaders)** to suggested school sites for their school site tours/workshop
- Reviewed Scientific Study project concepts and offered SCWP funding assistance to **RAND** as they work on their Scientific Study.

FEBRUARY UPDATES

→ MARCH

OUTREACH & SUPPORT

- Met with **Kate Moulene, CEO of River LA** to discuss about projects happening along the LA River.
- Participated in the Roots and Routes community walk tour event hosted by **Willowbrook Network Inclusion**.
- Ongoing coordination with **WELL** and **Algalita** for two upcoming workshops (April–May).

- ★ SCW Grants Program 2026 Grantee Convening at **Magic Johnson Park**.
- ★ Redesigning LA: Lessons from a Decade of Partnerships at **University Club, Pasadena**.
- ★ Our first community tabling of the year

THANK YOU

LET'S STAY CONNECTED:
