

Summary of FY26-27 SIPs

Scoring Committee

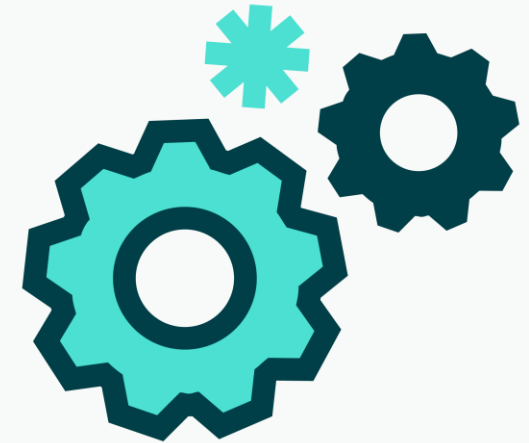

SAFE CLEAN WATER PROGRAM
07/13/26

Stormwater Investment Plan (SIP) Deliberation Overview

Themes arising from the FY26-27 SIP Deliberations:

- Prioritizing benefits to, and engagement with, Disadvantaged Communities
- Prioritizing funds for shovel-ready projects
- Equity of funding/project distribution within Watershed Areas
- Leverage funding concerns

North Santa Monica Bay (NSMB) Round 7 SIP

For FY26-27, the WASC allocated 24% of its budget. The recommended SIP includes funding for:

- All continuing Projects, including 1 Watershed Coordinator
- 1 new Infrastructure Program Project:

Project Name	Project Applicant	Final Score	Funding Allocated/ Earmarked	Phase
Westlake Village MS4 Compliance Project	City of Westlake Village	90	\$1,315,356	Design
Total New IP Funding			\$1,315,356	

The Regional Oversight Committee (ROC) recommended that the NSMB SIP is helping to achieve SCWP Goals and therefore be **approved** by the Board of Supervisors.

Central Santa Monica Bay (CSMB) Round 7 SIP

For FY26-27, the WASC allocated 71% of its budget. The recommended SIP includes funding for:

- 7 new Infrastructure Program Projects
- 3 new Scientific Studies
- 1 new Technical Resources Program Project Concept
- All continuing Projects, including 2 Watershed Coordinators

The Regional Oversight Committee (ROC) recommended that the CSMB SIP is helping to achieve SCWP Goals and therefore be approved by the Board of Supervisors.

		* Reduced funding		
Project Name	Project Applicant	Final Score	Funding Allocated/ Earmarked	Phase
Campus-Community Connection: UCLA's Mobility, Stormwater Capture, and Greening Project	UCLA	66	*\$1,014,000	Design
Reimagining La Brea Tar Pits: An Investment in Community, Green Space, and Water Quality Enhancement	Natural History Museum	60	\$1,980,000	Construction + O&M
Edward Vincent Jr. Park Stormwater Improvements Project	City of Inglewood	68	\$28,493,400	Construction
Ballona Creek TMDL Operations and Maintenance Project	Los Angeles Sanitation and Environment	80	*\$9,236,678	O&M
Memorial Park Multi-Benefit Stormwater Capture	City of Santa Monica	83	*\$8,305,000	Construction
Syd Kronenthal Park Stormwater Capture Project	Culver City	75	*\$500,000	Design
San Vicente Streetscape Plaza	City of West Hollywood	60	*\$597,000	Design
West Los Angeles College Stormwater Improvements Project	BuildLACCD	65	Not included	Construction
View Park – Windsor Hills Green Alley Project	Los Angeles County	51	Did not meet Threshold Score	Design
Total New IP Funding			\$50,126,078	
PMR: Slauson Connect Clean Water Project	\$0 Awarded (+\$8,048,507 requested)			

Lower Los Angeles River (LLAR) Round 7 SIP

For FY26-27, the WASC allocated 94% of its budget. The recommended SIP includes funding for:

- 2 new Scientific Studies
- All continuing Projects, including 1 Watershed Coordinator

The Regional Oversight Committee (ROC) recommended that the LLAR SIP is helping to achieve SCWP Goals and therefore be approved by the Board of Supervisors.

Upper Los Angeles River (ULAR) Round 7 SIP

For FY26-27, the WASC allocated 75% of its budget. The recommended SIP includes funding for:

- **3** new Infrastructure Program Projects
- **3** new Scientific Studies
- **1** new Technical Resources Program Project Concept
- All continuing Projects, including **3** Watershed Coordinators
 - **1** Project Modification Request (PMR) with additional funding

The Regional Oversight Committee (ROC) recommended that the ULAR SIP is helping to achieve SCWP Goals and therefore be **approved** by the Board of Supervisors.

Project Name	Project Applicant	Final Score	Funding Allocated/ Earmarked	Phase
Franklin D. Roosevelt Park Regional Stormwater Capture Operation and Maintenance Project	Los Angeles County	80	\$1,160,000	O&M
Calles Verdes at Workman Street	City of San Fernando	71	\$907,200	Design
Arroyo Park Infiltration Gallery	City of South Pasadena	78	\$1,014,666	Design
Total New IP Funding			\$3,081,866	
PMR: Watts Civic Center Serenity Greenway	Partially approved for: +*\$700,000 (\$778,127 requested)			

* Reduced funding

Santa Clara River (SCR) Round 7 SIP

For FY26-27, the WASC allocated 12% of its budget. The recommended SIP includes funding for:

- All continuing Projects, including **1** Watershed Coordinator
- **1** new Scientific Study
- **1** new Infrastructure Program Project:

Project Name	Project Applicant	Final Score	Funding Allocated/ Earmarked	Phase
Jake Kuredjian Park Stormwater Improvements Project	Los Angeles County	76	\$1,250,000	Design
Total New IP Funding			\$1,250,000	

The Regional Oversight Committee (ROC) recommended that the SCR SIP is helping to achieve SCWP Goals and therefore be **approved** by the Board of Supervisors.

Lower San Gabriel River (LSGR) Round 7 SIP

For FY26-27, the WASC allocated 99% of its budget. The recommended SIP includes funding for:

- All continuing Projects, including 1 Watershed Coordinator
 - 1 PMR with additional funding

Project Name	Project Applicant	Funding Allocated/ Earmarked	Phase
PMR: Bellflower Simms Park Stormwater Capture Project (Construction)	City of Bellflower	Approved increase: +\$8,930,847	Construction

The Regional Oversight Committee (ROC) recommended that the LSGR SIP is helping to achieve SCWP Goals and therefore be **approved** by the Board of Supervisors.

Rio Hondo (RH) Round 7 SIP

For FY26-27, the WASC allocated 96% of its budget. The recommended SIP includes funding for:

- 5 new Infrastructure Program Projects
- 1 new Scientific Study
- All continuing Projects, including 1 Watershed Coordinator
 - 1 PMR with additional funding

The Regional Oversight Committee (ROC) recommended that the RH SIP is helping to achieve SCWP Goals and therefore be approved by the Board of Supervisors.

Project Name	Project Applicant	Final Score	Funding Allocated/ Earmarked	Phase
Rio Hondo Ecosystem Restoration Project	RH/SGR JPA	69	\$19,397,616	Construction
Story Park Stormwater Capture Project	City of Alhambra	65	\$1,648,000	Design
Sierra Madre Boulevard Median Enhancement Project	City of Pasadena	62	*\$1,003,000	O&M
East Los Angeles Sustainable Median Stormwater Capture Project	Los Angeles County	87	\$1,500,000	O&M
Eaton Wash Stormwater Capture Project	City of Pasadena	68	*\$10,621,615	Construction
Arcadia City Hall Stormwater Capture Project	RH/SGR JPA	61	Not included	Design
Total New IP Funding			\$34,170,231	
PMR: Plymouth School Neighborhood Stormwater Capture Project	Approved increase: +\$109,148.76			

* Reduced funding

South Santa Monica Bay (SSMB) Round 7 SIP

For FY26-27, the WASC allocated 91% of its budget. The recommended SIP includes funding for:

- 2 new Infrastructure Program Projects
- 2 new Scientific Studies
- 3 new Technical Resources Program Project Concepts
- All continuing Projects and 1 Watershed Coordinator
 - 1 PMR with additional funding

The Regional Oversight Committee (ROC) recommended that the SSMB SIP is helping to achieve SCWP Goals and therefore be **approved** by the Board of Supervisors.

Project Name	Project Applicant	Final Score	Funding Allocated/ Earmarked	Phase
Los Angeles Harbor College Stormwater Projects	BuildLACCD	63	\$3,974,463	Construction
Darby Park Multi-Benefit Project	City of Inglewood	62	\$790,450	Design
Downtown Lomita Multi-Benefit Stormwater Project	City of Lomita	51	Did not meet Threshold Score	Construction + O&M
Total New IP Funding			\$4,764,913	
PMR: South Santa Monica Bay Water Quality Enhancement: 28th Street Storm Drain Infiltration Project	Approved increase: +\$3,000,000			

Upper San Gabriel (USGR) Round 7 SIP

For FY26-27, the WASC allocated 90% of its budget. The recommended SIP includes funding for:

- 5 new Infrastructure Program Projects
- 3 new Scientific Studies
- 2 new Technical Resources Program Project Concepts
- All continuing Projects, including 1 Watershed Coordinator

The Regional Oversight Committee (ROC) recommended that the USGR SIP is helping to achieve SCWP Goals and therefore be approved by the Board of Supervisors.

Project Name	Project Applicant	Final Score	Funding Allocated/ Earmarked	Phase
San Jose Creek Greenway Project	City of Industry	69	\$5,532,000	Design
Arrow Highway Beautification and Stormwater Capture Project	City of Irwindale	61	\$1,724,000	Design
Ganesha Park Stormwater Capture Project	City of Pomona	77	\$18,557,573	Construction
ESGVWVG Drywells Project	City of Pomona	63	\$350,000	Design
Garvey Avenue Grade Separation Drainage Improvement Operations and Maintenance	City of El Monte	64	\$510,000	O&M
ESGWVG Drywells Project	City of Pomona	55	Did not meet Threshold Score	Construction + O&M
Total New IP Funding			\$26,673,573
