

Adventure Park Multi-Benefit Stormwater Capture Project

○ Project Scope

The project will divert urban and stormwater runoff from nearby unincorporated communities into an underground storage and water treatment system for landscape irrigation reuse. The project will also include above ground landscaping, Low-Impact-Development features, and educational signage.

○ Project Benefits

The project will improve the quality of our rivers and ocean, increase local water supply through the use of an alternate source of water, and provide educational and outreach opportunities.

○ Project Location

- Adventure Park (10130 Gunn Ave, Whittier, CA)
 - Gunn Ave and Light St

○ Cost Estimate

- Construction Cost: TBD

○ Tentative Milestone Schedule

- Currently – Planning Phase
- 2018 – Complete Project Concept Report with 30% design plans
- 2018 to 2019 – Prepare design plans
- 2020 – Award Construction Contract
