**RE: Safe, Clean Water Program**

Dear Supervisor Kuehl,

I am writing to express my enthusiasm for the proposed Safe, Clean Water Program and to offer my support for the Draft Program Elements and Ordinance.

As President of the Board of Directors of the San Gabriel Valley Municipal Water District, I have been working to address ongoing drought conditions impacting our region. I understand and recognize the tremendous opportunity that is presented by the Safe, Clean Water Program to build up our local water supply, improve water quality, and invest in healthier and more sustainable communities.

I urge the Los Angeles County Board of Supervisors to place this much-needed funding measure on the November 2018 ballot to increase water supply and improve water quality by capturing and cleaning stormwater.

Sincerely,

Thomas Wong  
President, Board of Directors
