

Rio Hondo Watershed Coordinator Update

Presented to the Rio Hondo WASC

20 September 2022

By Richard Watson & Julie Millett (RWA)

Watershed Coordinator Activities

WC Activities since Last WASC Meeting (8-16-2022)

- Coordinated with Contract Manager and District staff
- Significant work on Year 4 project review for presentation to WASC
- Participated in Washington Park TRP Stakeholder Engagement meeting
- Monitored S. Santa Monica Bay WASC meeting
- Followed up with contacts made at WELL Water Education Symposium
- Coordinated with TRP project consultants re: groundwater in area (S. El Monte HS)
- Participated in S. El Monte High School TRP Feasibility Study Review meeting

(Continued)

WC Activities since Last WASC Meeting

(Continued)

- Prepared and submitted monthly reporting
- Attended Sierra Madre Median TRP project meeting and facilitated moving forward to determine design option
- Calls with consultants for Washington Park and Sierra Madre Median Project TRPs
- Attended US Census Webinar re: updated census information and how to use the American Community survey
- Review of SOEP for tribes and tribal community reference for the District
- Review of EPA's Environmental Justice materials to review past meeting materials

(Continued)

WC Activities since Last WASC Meeting

(Continued)

- Participated in progress meeting on LRS projects
- Research regarding potential future microplastics requirements and possible impact on Rio Hondo projects
- Research on current and potential future metals requirements in relation to current and future Rio Hondo projects
- Participated in Bacteria Summit for ideas regarding LRS projects and potential future bacteria requirements
- Updated Interested Parties list (ongoing)
- Participated in Watershed Coordinator joint meeting

Planned Upcoming Activity Focus

- Interview new WASC members
- Work with SGVCOG to plan delayed educational event for City Managers
- Research funding sources for additional project funding
- Check Rio Hondo area event calendars to plan future outreach
- Submit park lists to cities to confirm
- Further update and expand Interested Party Mapping to reflect and include parties met through outreach to date
