Note:

- Per the Feasibility Study Guidelines Section 2 Requirement No. 10, an initial letter of support from the Municipality in which the Project is proposed is required from non-municipal applicant/developers.
- Per the Feasibility Study Guidelines Section 2 Requirement No. 16, a confirmation of conceptual approval from the Los Angeles County Flood Control District (LACFCD) is required for Projects involving LACFCD infrastructure, facilities, or right-of-way.
- For up-to-date information, please contact the Department of Public Works of the Municipality.
